

# INCLINED PRODUCT ELEVATOR

# IC-300

## High Capacity Product Lift

### HEAVY DUTY CONSTRUCTION

- Simple Well-Engineered Design
- Easy Wash-Down System
- Adjustable Feet for Leveling
- Quick Lock Casters
- Custom Heights & Widths
- USDA/FDA Compliant
- Spare Parts Kit
- Specialty Belts
- Gentle Flow

*Easy to use, clean and maintain. Simply load your product in the floor hopper and gently convey your product to the combination scale or filler head above your packaging system. We can fully integrate our equipment and controls to run in concert with your existing equipment.*
